Section A - President's Message

N4C 2020-21 [President](#)—Mark Gromko

Greetings N4C members!

At the beginning of a new N4C season, I again look forward to sharing images and information about photography among our membership.

In this year of the Covid-19 pandemic we will need to rely on the Directory even more than usual. In the absence of the spring and fall conventions in 2020 we will have to use email, Zoom, conference calls, FaceTime, and surface mail much more than we have in the past.

As you can see in the Table of Contents immediately below, the Directory has current contact information about N4C officers (section C), Judging Lists (section E), and Member Clubs (section F). The Directory also has historical information about Awards and Recognitions (section D).

The Handbook, the N4C Web page, the Newsletter, and the Directory together comprise the core source of information and communication about the N4C.

Thank you to Carl Hardy for gathering and editing the information necessary for N4C communications, and for publishing it in the Directory!

Mark Gromko
N4C President

Section B --Table of Contents

This *N4C Directory*, in all forms, is for distribution to N4C members and N4C Clubs. It is NOT to be posted in any form on any web site, nor is it to be available for Internet download by any means.

The format of this *N4C Directory* is set up so that each section can be revised and issued separately. The revision date of each section is in the footer of each page. [Section H](#) provides a “Revision Summary” with the latest revision date of the whole Handbook and the revision date of each section.

The Handbook and Directory are primarily distributed electronically by Email or on CD as an Adobe Acrobat document. Members only need to print those pages that are routinely used while away from their computers. If you print double-sided pages, it is recommended that you start each section on a new sheet of paper. Members unable to use the Handbook in electronic form, or print their own, may purchase a printed copy. Contact the [N4C Handbook & Directory Editor](#) for copies in all formats.

1. The Founders Award shall be the highest award given by the Council.
2. The award shall be given only for services to the Council above and beyond the call of duty.
3. The award need not be given annually, but should be reserved for candidates who have worked tirelessly in the interest of the Council for a number of years.
4. Francis Kingsbury, FPSA, the last remaining founder, is a permanent committee member. The other members are past presidents, each serving a term on this committee immediately following their retirement from the presidency.
5. Francis Kingsbury shall act as committee chair. After the death of all founders, the committee shall be composed of five past presidents, who shall elect the committee chair each year.
6. Any member of the Council shall be permitted to submit the name of one person for consideration for the Founders Award. Applications for nomination of a candidate may be secured from the Supply chair.
7. The name of consideration must be submitted to the chair of the committee at least three months before the annual convention.
8. It shall be the duty of the Chair of the Founders Award Committee to investigate all persons whose names are submitted for consideration. Full consideration must be given to all camera club activity, all local civic activity in which photography has played a part, and all Council activity.
9. Information compiled by the chair of the committee shall then be transmitted to all other committeemembers.
10. A simple vote of “yes” or “no” is required by each member of the committee and the majority shall rule.
11. Members may also use any means of investigation in the determination of their decision.
12. Committee members may also take into consideration the records and worthiness of past recipients of the award in making their decision.
